

# High Plains Paint Horse Club Newsletter

February 2009

Hello HPPHC Members,

The HPPHC Board met on January 31<sup>st</sup> and made a few additions to our show schedule. Solid Paint Bred speed classes were requested, and the Board voted to add SPB Pole Bending, SPB Stake Race and SPB Barrel Race. Now we need you to get those SPBs in racing form . . . we look forward to seeing you in June!

In addition, we changed the 'All Day Fee' structure, and I'm confident that you'll be pleased with the results. More information on that next month!

Sincerely,

Tia Leftin

HPPHC Immediate Past

President

## Wanna' Help?

The HPPHC show committee is the group that gets into the details of organizing and putting on a show. This committee is headed up by the HPPHC Board, but is a volunteer committee that anyone can participate on. Please contact Debbie Dehn if you are interested in helping at our shows

### HPPHC Banquet—a Success!!!

Well, I hope that everyone had as much fun as we did! The Board sends a big "THANK YOU" to everyone who attended. We presented around \$20,000 in awards, and hundreds of dollars worth of door prizes. Thanks to the silent auction participants, too—we appreciate you!

We also auctioned off exhibitor numbers. All numbers that were bid on at the banquet are final, but you can still buy available numbers at the June show. Remaining numbers are \$25.00 each, first come, first served.

Do *you* have ideas to make next year's banquet even better?

Let us know!!!
