

The Colorado Color Futurity is a progressive futurity beginning with **2025** foals through **2028**. We are now accepting Stallion Nominations. To nominate your stallion, the fee is \$125 and for the nominator to be a member of the High Plains Paint Horse Association.

Included in the nomination fee, is the chance to further promote your stallion within our program and our website. We also invite you to send any and all promotional items to our Futurity Board and we will happily display your items throughout our shows and also announce your stallion and a dialogue of your creation during our horse show.

Within the nomination fee of \$125- \$75 of that goes to the Series Purse awarded to the winning entry in 2028. Additionally, \$50 of that goes into the purse that pays out to the person that nominates the stallion of the winning entry.

At this time, we are offering Stallion owners to nominate their stallions, themselves. Should you, as the stallion owner, opt out of the nomination, you would forfeit the Stallion Nominator monetary award and it would be granted to the nominator, or open up and allow others the opportunity to nominate your stallion, as a direct link to the foal that they are entering into the futurity series. For more information you can visit the High Plains Paint Horse website at hpphc.com or contact John Andersen at tractor43horse@yahoo.com or 720-201-4672.

----- Please Complete Below -----

Stallion Registered Name _____ Registry Name and Number _____

____ Yes! I will nominate my stallion and included within this response is the Stallion Nomination Form, fee, and the HPPHC membership form/fee (if not already a member)

____ No, at this time I will not be nominating my stallion and understand I am forfeiting the potential awarded purse monies, as it will be awarded to the individual who nominates my stallion.

Colorado Color Futurity (CCF) Stallion Nomination Form 2025

Sponsored by the High Plains Paint Horse Club (HPPHC)

Colorado Color Futurity (CCF) is a progressive series that provides a forum for foals to compete from weanling to 3 years of age in annual classes (reach out to John Andersen at 720-201-4672 for more details). Each **foal must be nominated** into the progressive series, as well as **both the SIRE and DAM** for the resulting foal to be eligible for the Colorado Color Futurity.

This form is intended for the nomination of the SIRE (stallion) of a resulting foal and is required for the resulting foal to be eligible for the entire progressive series for the years of 2025, 2026, 2027, and ending in 2028.

Nomination Details (including eligible nominators, fees and deadlines)

- **Eligible Nominator(s):** Resulting foal owner and/or stallion owner. If the stallion owner has opted out, the stallion can be nominated by anyone.
- **Nomination Amount:** \$125
 - *Payment method: checks payable to “Colorado Colors Futurity” or “CCF”, Tammy Berbee, 19306 CR N Ft. Morgan, CO, 80701*
- **Nomination Deadline:** August 7, 2025
 - *“Late nominations” will be accepted from August 8, 2025, through September 6, 2025 (first class date) at double the regular nomination fee (total of \$250).*

Stallion Registered Name: _____

Stallion Registry and Registration Number: _____

Breeding Date(s): _____

Nominator Name: _____

** Please specify your name then (owner) or name then (other nominator). If the owner opts out from nominating the stallion, then other individuals (other than owner) can nominate the stallion.*

Nominator Address: _____

Email Address: _____

Phone Number: _____

Enclosures: Registration papers or pending registration application (required)

Register for the HPPHC at <https://hpphc.com/membership/>

Note: ¹A floating birth date system will be used to divide weanling futurities as equally as possible based on fully paid entries. If there are seven or less foals in a cohort or class, there will only be one division (vs. an early and late division), ²By submitting this form, it shall be deemed an acceptance of the Colorado Color Futurity (sponsored by HPPHC) Rules and Regulations

High Plains Paint Horse Club

Presents

The Colorado Color Futurity Series 2025

This is a progressive futurity series from 2025 – 2028

Foals born in 2025 will compete in their respective halter classes.

As yearlings in 2026 they can be shown in yearling halter and lunge line.

As 2 year olds in 2027, they can be shown in Ranch Rail, Western Pleasure, and or Hunter Under Saddle.

In 2028, as 3 year olds, they can be shown in Ranch Riding, Western Pleasure, and or Hunter Under Saddle.

In each of these futurities, a point system will be used based upon their placings to determine the winner of the series.

Each futurity class builds its own purse based on the number of entries and will payback 100%.

The series purse is built from Stallion, Mare and Foal nominations, as well as sponsorships.

There are also incentives that pay back the Stallion and Mare nominator.

This is open to APHA, AQHA, ApHC, and any other breed, or color breed association.

This year's weanling and yearling halter & lunge line futurity will be held September 6th at the Boulder County Fairgrounds in Longmont, Colorado.

For more information please contact John Andersen at tractor43horse@yahoo.com or 720-201-4672
